## GOLD COINS OF THE WORLD

To our clients: First of all--we want to wish everyone a very Happy New Year and all the best for 1993! This is our first price list of the year and the first list we have published since our July/August list of last year. We took off for a 9 week sabbatical after the ANA convention---we spent two months in a beautiful small town in Vermont to rest and get away from the coin business--which turned out to be the best thing I could have done! I have come back rested, relaxed and roaring to get back to dealing in coins again! Since my return in November I have attended coin shows and auctions in Tampa, Detroit, New York and Europe! This list contains hundreds of new purchases--including fantastic specimens from such noted collections as Hammel, J. Pierpont Morgan and others---for those of you receiving our price list for the first time--the "FR." and "KM" numbers in our list refer to the reference books on the subject by Friedberg and Krause-Mishler. As our lists do not have photos--we strongly suggest that if you are going to be serious about collecting world gold--that you invest a few dollars in these books--which are offered for sale at the end of this list---now sit back, relax and enjoy our first price list of 1993--

To our clients: Thank you for making our Jan/Feb price list an unqualified success! We sold over 63% of the items listed! And considering there were 623 items listed, that's quite a few coins! This new list contains all new purchases including our "newps" (new purchases) from the FUN and CIGF shows as well as a large collection of modern gold sets and singles from a long time client of ours! As usual, the "KM" and "FR." numbers in our price list refers to the two major reference books on this series (see the last page in this list to order these books for your numismatic library). To our clients: We are still in Vermont and the "colors" are fantastic! #### TERMS OF SALE AND COMPANY POLICY

Florida residents must add 6% sales tax to all orders. All coins sold by our firm are 100% guaranteed genuine. All coin orders are shipped via postpaid registered mail, fully insured, within the USA (including Canada and Puerto Rico). All other countries are shipped via postpaid airmail registered mail but at the buyer's risk! We have no insurance coverage for overseas shipments so we strongly suggest that you arrange for commercial insurance from your end or you must assume all risks on shipments sent overseas! Overseas orders can be sent to us via fax or airmail letter and we will send you a pro-forma invoice. All payments on overseas orders must be sent to us in the form of a bank draft drawn on a USA bank and payable to us in USA funds. USA orders can be paid for in the form of a bank cashier's check or money order for immediate shipment--however personal checks are fine but allow bank clearance of your check prior to shipment taking place (approx. ten banking days from day of deposit). Sorry but our company does not accept any form of credit card for payment. Our standard lay-a-way plan is available if it is of help to you--it requires 1/3 down at time of invoice, 1/3 payment in 30 days and final 1/3 payment in 60 days. Total must be paid in full within 60 days from date of invoice (no interest or handling charges will be added!) For longer terms on large orders, please contact us to discuss it further. All coins are kept in bank vaults! We maintain no retail facilities! All orders are processed via mail order only. All coins sold by our firm have a full 30 day return period. Order with confidence as your total satisfaction with the transaction is guaranteed! This year marks our firms' 43rd year in the rare coin business!!

THANK YOU FOR MAKING "STEINBERG'S" YOUR WORLD GOLD SOURCE!
